

Business Continuity
Institute

BC LIVE ONLINE

Advance your Business Continuity Knowledge Anytime, Anywhere

The Official Good Practice Guidelines (GPG) course the most comprehensive, complete review of business continuity concepts and industry best practices in the world and serves as the foundation for the CBCI certification. This acclaimed education is now offered in a convenient online learning format. **BC Live OnLine** provides the same quality instruction and review of the six knowledge areas of the BCI's GPG as our award-winning, in-person classes, but this program is now accessible anywhere, and virtually any time, allowing you the convenience of meeting your schedule and saving you the expense of travel.

The **BC Live OnLine** Official Practice Guidelines (GPG) course now being offered in both English and French. As with the in-person training, each official class is taught by an authorized BCI instructor to ensure the highest quality education.

The following six knowledge areas are covered in the **BC Live OnLine** GPG Course:

- BCM Policy & Program Management
- Understanding the Organization
- Determining BCM Strategy
- Developing and Implementing a BCM Response
- Exercising, Maintaining & Reviewing BCM Arrangements
- Embedding BCM in the Organization's Culture
